

# Important Information & Packing List

## Dear Parents & Guardians,

Please take time to read carefully through the following information. If you have any questions concerning any of these areas, please call us and we'd be glad to discuss it with you. We ask that everyone adhere to our policies. Thank you! We look forward to having your child at camp this summer!

### medications

ALL medications, prescription and over the counter, have to be turned into the camp nurse at the time of check-in. By state regulations, **campers cannot keep any medications** with them (with exception to some inhalers). The camp nurse will make sure the camper takes the prescribed dosages at the proper times. Bring enough medication to last the entire time at camp. **Keep it in the original packaging/bottle that identifies the prescribing physician, the name of the medication, dosage, and the frequency of administration. Do not put pills in baggies/pill boxes. We must give the dosages as prescribed.** If the dosage has been changed, make sure you bring a written doctor's prescription that gives the adjusted dosage.

### contacting your child

Write your child a letter or a card and send it to us early in the week. Mail to: (your child's name), Cross Bar X, 2111 CR 222, Durango, CO 81303. Or you can email your child from our website at [www.crossbarx.org](http://www.crossbarx.org) or email directly to [mycamper@crossbarx.org](mailto:mycamper@crossbarx.org). Include your child's name in the subject and we'll print it out and have it to your child at mail call. We only allow phone calls when there is an emergency, a birthday, or an important matter. Please respect our phone policy as one casual call to/from home starts a frenzy of phone call requests from all the campers. It also aids in homesickness when campers are allowed to talk to family at home. We want this time to be the most fun for all. Therefore, if you wish to contact your child, please do so by the ways listed above.

### check-in and last day of camp

It is important that your child arrive at camp during the check-in hours, 4:30-5pm. If for some reason you are not able to have your child here during that time, you need to contact the camp prior to that day. If you fail to contact us about this, we will assume that you are not attending and we will contact someone on the waiting list to take your child's place. If you cannot pick up your child at 9am on the last day of camp, you will need to make other arrangements for someone else to pick up your child and inform us of those arrangements.
